## DETAILED ACTION

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 7/25/07 has been entered.
2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joseph Leone on 9/4/07.

The application has been amended as follows:

- 1) claim 7 has been canceled without prejudice.

3. The following is an examiner's statement of reasons for allowance: The closest prior arts are Lenz and US'067. Lenz, on page 2842, Table II teaches structurally similar compounds as claimed herein. However, applicants have now amended their claims such as R is always C3-C16 alkyl. US'067, is teaching structurally similar compounds in a non-analogous art, wherein OR1 is either hydroxyl or an ester group. One of ordinary

skill in the art would not arrive at the claimed compounds using the two non-analogous arts. Another reference of pertinent interest is Humm et al(Arch. Pharm., 1988). The reference on page 420, column 1, teaches structurally similar compounds and composition as claimed herein. However, there is no alkyl group of C3 carbon attached on the phenyl ring.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
